Champion Male: A. Snyder and Sons.

Champion Female: A. Snyder and Sons.

DIDSBURY FARMERS WIN PRIZES AT RED DEER FAIR

Didsbury farmers have again brought honor to the district, this time by winning prizes at the Red Deer Fair where Abe Snyder and Sons won seven first prizes and three championships for their famous Shorthorn cattle, while W.J. Fulkert won several prizes for his registered Kentucky horses.

First prizes won by Abe Snyder & Sons for Shorthorn cattle were: Bull, one year or over; Bull calf, Junior, Cow, 3 years or over; Heifer, 2 years; Heifer, one year Junior; Heifer calf, Senior.

The Snyder Shorthorns also won championships of the fair for Junior Champion Female, Champion Female, Grand Champion Female and Breeders' Herd.

In the registered light horse class Walter J. Fulkert took first and fourth prizes for two-year-old filly or gelding; second and third for filly or colt one year old; first and fourth for foal of calendar year; and first and second for brood mare with foal at foot.

The Westcott W.I. met at the home of Mrs. B. McFarlane on Thursday, July 31st, with 15 members and 14 visitors present.

Roll call was answered by giving a garden hint.

It was decided to hold a picnic and ice cream social on Tuesday, August 5th, at 7:30 p.m. at the Westcott School. There will be a ball game first, under the direction of Mr. Bob Dubois. Each member is to bring two pies. Coffee will be served. This social is to take place of the auction sale which was planned at the last meeting, but the sale will be held later this fall.

A letter was read by Mrs. Alex Robertson from the corresponding W.I. in Norman, England. Mrs. Gordon Ford volunteered to answer the letter for this month.

The five-minute speech was given by Mrs. S. Owens.

The bit of fun was given by Mrs. B. Dubois, and took the form of a contest on "What Shall I Feed My Husband?"

Mrs. McFarlane gave a report on the Farm Women's Week held recently in Olds.

One new member was added to the W.I. at this meeting.

The results of the flower contest were announced. 10 points were given for a first and five points for a second, and Mrs. Mary Klein won first prize in the contest with 35 points, while Mrs. Alex Robertson was second with 30 points.

The remainder of the afternoon was spent with the members and visitors having a shower for Mrs. Mary Robertson, a bride-elect of this month.

Miss Velma Owens assisted Mary in the untiring of parcels and the bride-elect received many lovely gifts. She thanked all those present and said that although she was not a W.I. member it had always meant a great deal to her and as she used the gifts she would be thinking of all the members.

Mary will be greatly missed, especially in the Sunday school and as leader of the Girl Guides at Westcott, and all wish her well in her new home to be in the States.

The next meeting will be held on August 28th at the home of Mrs. S. Owens. Ladies, don't forget to bring an article made of wool to this meeting.

LEGION MEMORIAL SERVICE AT BUTTE SUN, AUGUST 10

The Didsbury Branch of the Canadian Legion will hold its annual memorial service at the Butte on Sunday, August 10th, at 3:00 p.m.

A parade will form at the hall at 2:30 and march to the scene of the service. For this parade a special invitation is extended to all returned men, the L.O.D.E., Boy Scouts, Girl Guides, Rangers, Brownies and members of the Didsbury Carstairs Band to attend. All returned men are also invited to take part in the parade.

As this service is non-denominational it is hoped that members of the various churches in town and district will co-operate in paying tribute to our gallant boys who gave their lives to protect Canada and her loved ones.

PROCLAMATION

WHEREAS the Didsbury Lions Club is holding a Jubilee Celebration and Sports Day on Thursday, the 7th day of August, 1947, the proceeds thereof to go towards the Memorial Community Centre,

THEREFORE, I, H. Lynch-Staunton, Mayor of Didsbury, do hereby declare Thursday, the 7th day of August, 1947, a civic holiday to enable all the citizens to participate therein.

Signed, H. LYNCH-STAUTON

August 4, 1947 Mayor

GUN CLUB TO HAVE CUP SHOOT BEFORE END OF THE SEASON

The Didsbury Gun Club has been fairly active this year and the 1946 officers have been carrying on their good work all year. However, last Tuesday night the boys decided that it was time to reorganize and at a meeting held at the grounds Russel Ady was re-elected president, Irvin Klein vice president, and Ed Watkin secretary-treasurer.

The membership fee was set the same as last year, 50 cents a member.

It was decided to invite the Olds Club for a friendly shoot on August 12th. The decision was also made to have a cup shoot this year, members to compete in a 50 target round.

There will be a prize for the season for the longest run at any one shoot, and also a prize for the best average score during the season.

Secretary Ed Watkin reported that the Club had plenty of clay pigeons but the supply of ammunition was running low.

Previous to the meeting ten members participated in the regular weekly shoot and the following scores were chalked up: Ronleau 20, Watkin 19, Thompson 19, Wriglesworth 16, L. Berscht 15, A. 15, W. Ranton 12, K. McCoy 11, McDonald 11, Lynch-Staunton 9.

Regular weekly shoots are held each Tuesday night and everyone in town and district is invited to join the club and take part in this exciting sport.

Bruce Ramsay of Edmonton was a business visitor in town last Thursday.

Mrs. Martha Liesemer returned last week after a two-month's visit with relations in Eastern Canada.

Mr. and Mrs. Leslie Roeth of Seattle, Wash. are visiting with the former's parents, Mr. and Mrs. Henry Roeth, and other friends.

Mrs. Ed Wiggins and children returned home Thursday after spending the past six weeks visiting her sisters at Vernon, B.C.

LUTHERAN FESTIVAL ON SUNDAY, AUGUST 10

The annual Mission Festival of Redeemer Lutheran Church will be held this coming Sunday, August 10th at Rennie's Grove, just north of the Westcott Church. The Rev. V. Eichenlaub of Lethbridge, chairman of the board of directors of the Alberta and British Columbia districts of the Lutheran Church of the Missouri Synod, will be the chief speaker. Open air services will be held in the morning at 11:00, and in the afternoon at 2:00. At noon a joint dinner will be eaten. During the afternoon service Rev. E.B. Fox of Redeemer Lutheran Church, Didsbury, who also serves the deaf mute people in Alberta and Saskatchewan, will deliver a lecture on this type of work and also give demonstrations of the work. Redeemer Lutheran Church takes this opportunity to invite everyone to attend. In the event of rain the services will be conducted in the Westcott church. This special service is to be enhanced by selections by the choir of the church, and also by a hymn by the Sunday school children.

LEGION PRESENTS FLAG TO WESTCOTT BOY SCOUT TROOP

The regular meeting of the Didsbury Branch of the Canadian Legion B.E.S.L. was held in the hall on Thursday, July 31. After opening in the usual manner a Scout flag was presented to the Westcott Scouts and achievement badges to the individual scouts. Two of the boys have earned all badges obtainable. The scouts then made a presentation to Dr. Epp for his work in their first aid examinations.

Two applications for membership were approved.

The annual Memorial Service will be held at the Cenotaph on Sunday, August 10, at 3 p.m. All those taking part in the parade to the Cenotaph will meet at the hall and be ready to march off by 2:30. Scouts, Brownies and Guides will also parade. Anyone who would like to join the parade but feel that they are unable to march the whole distance can join the group at the foot of the south slope approaching the Cenotaph where the parade will come to a halt before completing the last part of the march.

Dr. Epp and Padre Whyte Smith reported on their plans for the Memorial service.

W. Payne gave a progress report on the Memorial Centre. Ground has been cleared and K. McCoy is in charge of a volunteer gang to pile and remove brush from the site. The Committee has been investigating the purchase of airport hangars but did not know at the time of the meeting the actual cost of removal and re-erection. However, a large quantity of material is available at small cost.

The finance committee now has all information for those who have donated to a hall and want a return of their money. Briefly this is: An application for return of their donation accompanied by the original receipt or a declaration that the donation had not been used as an income tax deduction.

A sign is to be put up at the Memorial site.

W. Gilrrie was appointed chairman of a committee to give all possible help to the Lions on Jubilee day.

After lunch Mrs. Bookner conducted a very enjoyable contest.

J. Robertson and the boys from the west are to supply entertainment for the next meeting.

Geo. Gerlitz is again working at Edford Motors.

Another \$5,000 Grant For Graveling In Municipality

Reeve C. Fox and Councillors F. J. Nidrick, W.H. Metz, H. Roedler, Geo. T. Haug, H.J. Goelien and Earl B. Dodd were all present at the regular meeting of the Municipal District of Mountain View in Didsbury on Monday, August 4th, and the new councillor, Mr. Dodd, was welcomed by Reeve Fox.

Foundkeeper Wm. Habermehl reported on a pound sale and Council was advised that one old age pension application had been approved.

A communication from Graham and Stewart of Red Deer in connection with an accident to a truck driven by W.L. Johnston at nine mile coulee east of Olds, asked if Council admitted negligence. As the road was in excellent condition Council refused to admit any negligence on the part of the municipality.

A communication was read from J.W. Judge, who has been appointed commissioner to make inquiry into the tax structure of the province regarding municipal revenues and expenditures and the system of municipal assessment and taxation of property, and Council was favorable to filing a brief in conjunction with the Municipal Districts Association.

A communication from the Department of Public Works advised that an additional \$5,000 grant had been approved for road work in this municipality on a three-way basis. The money will be used mainly for the purpose of laying gravel.

Third reading was given to a by-

law providing for the sale to Garfield Samuel Thompson of part of the N.W. of 22-23-45, pursuant to the Tax Recovery Act.

Approval was given to Kenneth Cameron for a pool room license at Cremona.

The secretary was instructed to draw the attention of the Public Works Department the condition of the bridge 2½ miles west of Didsbury.

A report on road work within the municipality showed that most of the fills had been completed on the Cremona road and the elevating grader started operations. This well gravelled has been completed on the road east and west of Crossfield; graveling is being done on the road east of Carstairs; one grader crew is working west of Olds; grading has been completed east of Olds, and it is expected to start the grading east of Didsbury this week.

WHY ARE WE ENDEAVORING TO BUILD A COMMUNITY CENTRE?

Plans are going ahead for the building of a covered skating rink, sponsored jointly by the Canadian Legion and the Didsbury Lions Club, but the project is not yet receiving the united support of both organizations and the public at large.

This is a mistake, which should be rectified immediately so that the community will be united in the one main objective—a memorial to our war casualties—and this only should be the guiding light for the citizens of Didsbury and district.

Back in 1945 the community was wholeheartedly behind the building of a community centre as a war memorial, to consist of a skating rink, auditorium and swimming pool. The Lions Club was behind the community centre plan and proposed to sponsor the swimming pool. The Legion was also in favor of the community centre and decided to sponsor the building of a community hall. Both organizations commenced raising funds for their own projects, but the response by the people of this community was not so enthusiastic when it came to donating generously to a cause which should have been foremost in their hearts—a memorial to our boys and girls who died so that we might continue to live in freedom and luxury, compared to the peoples of Europe.

When it was found that sufficient funds could not be raised to build a respectable community hall, and also a decent swimming pool, the two organizations, Lions Club and Legion, got together and decided to pool their resources on a neutral project—the skating rink—and one of the proposed buildings of a community centre. The members of these organizations were not unanimously behind the rink project as some were of the opinion that the hall was the most important, while others thought the swimming pool was the best project to start on. While the individuals members cannot altogether be blamed for taking the attitude that the money they raised—by public subscription—should not be used for any project other than which originally intended, it appears that the prime reason for any community centre was overlooked—that of a living memorial to our boys and girls who sacrificed their lives—and it is hoped that all who have been against the skating rink plan will reconsider their attitude and forget their grievances long enough to consider the main purpose of the community centre.

What would our heroes lying buried in European countries think if they knew that Didsbury and district people were bickering over mere detail of a community project which was to be built in memory of them? What would they think if they knew that Didsbury could not raise \$25,000 for a project in memory of their services to free us all from bondage, when they sacrificed their all for us at home.

We believe that if every honest citizen would think of the real reason for the building of a community centre—as a living memorial—they would forget their differences and get wholeheartedly behind any organization that was trying to make the dream of 1945 become a reality. And that is what the Didsbury Pioneer, as a public servant, asks Didsbury and district to do now.

If we can get a memorial skating rink, and the people think enough of their war heroes, we can also get our memorial hall and our swimming pool, which are all part of the proposed community centre. But if we are going to be bullheaded and individually push for what we want rather than co-operate for what is possible, then there is no hope for Didsbury's Memorial Community Centre, and any project we do build will be for the town and district itself and not for the love of lost ones. Must we start the 1939-45 battle all over again to bring us to our senses, and the real reason for co-operation on a project that badly needs unity and a reason for its coming into being?

We say no—war is not necessary. The United Nations say no—war is not necessary, but nations must co-operate. So should the citizens of Didsbury and district.

HON. Lucien Maynard, attorney-general of Alberta, was one of the many distinguished passengers aboard the Canadian Pacific steamship Empire of Canada on her first post war Atlantic crossing from Liverpool to Montreal.

1129 ENTRIES IN THE NATIONAL BARLEY CONTEST

Preliminary lists of provincial committees show a total of 1,129 entries in the Western Division of the \$25,000 National Barley Contest for 1947 sponsored by the brewing and malting industries.

The entries are 106 fewer than in 1946. All provinces show a slight drop, the biggest decrease in Saskatchewan. By province the number of entries are Manitoba 406, Saskatchewan 226, Alberta 357. The Alberta entries include the Peace River District of British Columbia.

Entries from the different provinces last year were Manitoba 367, Saskatchewan 338, Alberta 391.

Chairmen of the provincial committees have expressed the view that the competition this year is likely to be keener than last even with the smaller number of entries. Most of the contestants appear to be experienced growers. Nearly all those who made a good showing in their regions in 1946 have entered again this year. In 1946 there was a considerable number of eliminations because growers had entered varieties not eligible in the contest or else had not enough acreage. This year there has been less than half a dozen.

HOW ONE PARENT MADE SON POPULAR

The Empire Digest tells the following story as recalled by a fond parent: "Michael's first day of school arrived. I walked with him to the assembly point where he was to catch a bus. The bus was waiting fringed by a light cluster of little boys eyeing each newcomer with suspicion. Michael's grasp tightened. I felt his apprehension. "Michael, I said in a loud tone, I want you to come home right after school. Remember you've got to help me skin that elephant." I pushed my son towards the bus, and turned away. Silence. Then a babble of little boys' voices. I glanced back. One boy was holding Michael's books, another his lunch box, a third was helping him on the bus. A great peace descended on me. I had measured up to the great responsibilities of fatherhood."

The long-term trend of Canadian economy is bound to be towards increasing industrialization. With this in mind, J.G. Taggart, chairman of the Agricultural Prices Support Board said Canadian farmers should plan on selling increased quantities of animal products to the domestic market.

LETTER TO THE EDITOR

The Editor, Didsbury Pioneer,

Dear Sir:

The Didsbury Branch of the Canadian Legion and the Didsbury Lions Club have agreed to pool their efforts and resources in the construction of the first unit of the Memorial Community Centre. During the discussion of the joint committees working on these projects and as a result of their findings reports were taken back to the respective organizations and it was decided the first unit to be undertaken is a covered skating rink as it was felt this would offer the greatest satisfaction to the people of the community.

The Canadian Legion took up the matter with the War Charities Division and they extended the clauses of the Charter to include any or all projects of a Community Centre rather than limit the Charter to one specific building.

The Board of Directors of this fund decided an opportunity should be given to any subscriber to object to his donation being used for the enlarged Memorial Centre. It was unanimously agreed by the Directors that such subscribers have the right and privilege of requesting a refund of their donation, such request to be made in writing accompanied by the original receipt and an affidavit to the effect that such donation has not or will not be reported as a donation and deducted from their Income Tax returns. If the original receipt has been lost then an affidavit covering is also necessary. Such letters to be mailed to the Secretary-Treasurer of the Memorial Centre, Didsbury, Alberta, not later than noon August 15, 1947. The Directors will meet on the evening of that date to act upon requests for the withdrawal of donations and the report of decisions will be published.

THE DIRECTORS,
Memorial Community Centre Fund

PREVIEW OF NEW VARIETIES

(By H.G.L. Strange)

Last April at the Hague in Holland I saw a remarkable sight. In an enormous auditorium there was a veritable sea of every kind of lovely flower imaginable, a veritable rainbow of colors of every imaginable tint and hue, from the softest shades of rose, pink, yellow and blue to the velvety jet black of the tulips. These flowers had all been grown in greenhouses, and were a preview of what world buyers could purchase later on in the season from the products of the Dutch flower fields.

This reminded me of a similar

kind of preview made available to farmers by the Demonstration Plots of the "Crop Testing Plan," which plots are sown by Agents at many of the elevators of the Companies which support the "Crop Testing Plan." Here the best of the old and the new varieties of wheat, oats, barley and flax can be seen actually growing. By observing these plots the farmer can determine which is the most suitable variety from his own fields, so quite easily he can keep up with the march of agricultural progress in field crops, can choose the best varieties for his farm, and so ensure to himself the highest yield, quality and grade in his crops that climatic conditions will permit.

WEDDINGS

GAMBLE — TIESSEN

A very pretty wedding took place in the Bethel Church of Big Valley July 26, 1947 at high noon, when Lydia Kristine Tieszen, elder daughter of Mr. and Mrs. Tieszen of Drumheller became the bride of Rev. John Price Gamble of Big Valley. To the strains of Lohengrin's wedding march, played by Mrs. B. Dyck of Stettler, the bride entered the church on the arm of her father who gave her in marriage.

The bride was beautifully attired in a floor length gown of white silk jersey. The shoulder line was slightly shirred, with a deeply shirred bodice and full skirt. The sleeves were wrist length and the neck line finished with white net lace. She also wore a long veil which was held in place by a coronet of orange blossoms. The bouquet of American Beauty roses added to the bride's charm.

The bride was attended by her sister, Ruth, who wore a gown of pink silk jersey fashioned on the same lines as the bride's. She wore a chapel veil held in place by a spray of spring blossoms and carried a bouquet of pink carnations. Alfred Tieszen, brother of the bride, attended the groom.

The ceremony was solemnized by Rev. R. Shantz of Castor and during the signing of the register a beautiful solo, "Love Never Fails," was rendered by Miss Margaret Hewitt.

Mr. Frank Deisman and Mr. Jack Hockley acted as ushers. A reception was held at the home of the bride's parents near Morrin, Alberta. The mothers of the bride and groom received. Mrs. Tieszen was becomingly attired in a two piece white polka dot dress. Both wore a corsage of roses and carnations. Over thirty guests were entertained and Mrs. J. Tough and Mrs. F. Holliday very capably assisted with the serving.

Guests from a distance were Mr. and Mrs. Ira Gamble and Clearance, Mr. and Mrs. Haug and Eleanor, Bergen, Alberta; Mr. and Mrs. R. Payne, Mr. and Mrs. Howard Gilmore, Shirley and Tommy, Mr. and Mrs. Fred Filpenko, Mr. and Mrs. Ben Dyck, Stettler, Rev. and Mrs. R. Shantz, Castor; Mr. and Mrs. H. Snyder, Agnes and Lois, Craigmyle; Mrs. F. Dechenne, Francis and Marilyn, Craigmyle.

For going away the bride chose a corded suit with white accessories. After a honeymoon at Banff the couple will take up their pastorate at Big Valley.

When compared with some other diseases, the purchase price of control of tuberculosis may be considered a bargain. This is so because we know its cause. We know how it is spread. We know to prevent it, and we know how to treat it. Moreover, it costs pennies to control it, and dollars to tolerate it. Robert E. Plankett, M.D., N.Y. Department of Health.

"We made the SMART choice!"

say

OLDSMOBILE

owners

everywhere

WRITES R. A. BALMER,
General Manager of a large Toronto furniture company. "After driving my new Oldsmobile 8 in winter weather and over roads unusually rough, I find you were very conservative in your recommendations for the Hydra-Matic Drive. It is certainly the smoothest thing in mechanism that I have ever experienced. I am really proud of this car, and for driving comfort, ease of handling, and general road-worthiness, I can only say I'm glad I bought an Oldsmobile. I made the smart choice."

And that's just an excerpt from one of the many, many letters sent in by Oldsmobile owners—letters that repeat again and again. "There's nothing else like it in driving! It's smart looking... smart handling... and the new *GM Hydra-Matic Drive is the smartest way of driving yet devised."

Yes... people who choose Oldsmobile make the smart choice... for Oldsmobile is the smart buy of the year. To you who are waiting for your new Oldsmobile—our thanks for your patience... our tribute to your wisdom. The demand for Oldsmobile with the new *GM Hydra-Matic Drive is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it serviced regularly by your Oldsmobile dealer.

WEDDINGS

ADMUSSON—COOPER

A pretty wedding was solemnized in the Fallen Timber School at 2:00 o'clock July 27th, when Olive Louise Cooper, only daughter of Mr. and Mrs. John Cooper of Fallen Timber became the bride of Mr. George Allen Admussen of Bergen. Rev. Cecil Moore of Calgary performed the ceremony.

The school was beautifully decorated for the occasion with pink and white streamers and summer flowers.

The bride, who was given in marriage by her father, wore a floor-length gown of white sheer with a high neckline, long sleeves and a wasp waist embroidered with gold thread. Her long veil, which had belonged to her mother, was held in place by a coronet of orange blossoms and she carried a bouquet of American Beauty roses, stephens and baby's breath.

Miss Beth Mellon of Calgary was maid of honor. She wore a floor-length gown of sky blue net over taffeta and shoulder length veil and carried a bouquet of carnations, sweet peas and baby's breath.

Miss Betty Reimer and Miss Aggie Reimer were bridesmaids. The former's gown was of pale green sheer with a lace bodice, and the latter's gown was apple green taffeta. The groomsmen wore Mr. Glenn Cooper, brother of the bride, and Mr. Harry McGaffin.

The wedding march was played by Mrs. John Howton and Mr. Bob McGaffin. During the signing of the register Mrs. Bob McGaffin sang "Through the Years and Always."

The bride's mother wore a tailored powder blue suit with navy accessories. The groom's mother wore a powder blue crepe two-piece dress.

After the ceremony a reception was held with about 150 guests present. Serving were Mrs. Bob McGaffin, Mrs. Hayes, Miss Frances Hays and Miss Frances Reimer. The bride's table was centered with a beautiful four-tier wedding cake, and Mrs. W. McGaffin displayed the wedding gifts.

The young couple left on a wedding trip to Lethbridge and Foremost. For travelling the bride wore a tailored powder blue suit identical with that worn by her mother for the wedding. With it she wore a powder blue flower hat and brown accessories and a dusty rose polo shirt top coat. The bridal trip was a present from the bride's parents.

On their return Mr. and Mrs. Admussen will reside on their farm west of Bergen.

FAIR PRIZE WINNERS

(Concluded from Page 1)

Purebred Heifer, 2 years: 1st Claude Webb; 2nd C. Leeson; 3rd Tom Morris.

Purebred 1947 Heifer Calf: 1st Claude Webb; 2nd C. Leeson; 3rd Tom Morris.

Purebred Heifer Calf born between July 17, 1946 and December 31, 1946: 1st Tom Morris; 2nd Tom Morris.

Champion Male: Claude Webb. Reserve Champion, Male: Tom Morris.

Reserve Champion, Female: Claude Webb.

DAIRY CATTLE
Dairy Cow, 3 years old or over: 1st Wm. Bruce; 2nd Margaret Atkinson.

Dairy Heifer, 2 years old: 1st Wm. Bruce; 2nd H. Roberts and Son.

Dairy Heifer, 1 year old: 1st Wm. Bruce; 2nd Margaret Atkinson; 3rd H. Roberts and Son.

Dairy Heifer Calf, 1947: 1st Wm. Bruce; 2nd H. Roberts and Son.

Dairy Heifer Calf born between July 17, 1946 and December 31, 1946: 1st Jeannette Worrall; 2nd Walter Irwin; 3rd Wm. Bruce.

DAIRY HERD
Best Dairy Herd: 1st Claude Webb; 2nd Harvey Stevens; 3rd Tom Morris; 4th Jim Clarke.

HINTS FOR BERRY PICKERS

Miss Ruth Whaley, District Home Economist at Athabasca for the Alberta Department of Agriculture, warns against keeping freshly picked fruit for any length of time in galvanized ware. The acid in the fruit dissolves the zinc; and dissolved zinc is poisonous. A chipped enamel dishpan is not the best thing to let your fruit stand in either. The fruit juice may dissolve enough iron or copper to give a disagreeable flavour. A solution of iron or copper in the fruit juice means that there will be less Vitamin C too.

Don't plan to make jelly from those chokecherries you picked right after a rain storm. The rain will have diluted the pectin in the fruit and you will have difficulty in getting it to jelly. Raspberries, strawberries, huckleberries, and blueberries, should be picked over as soon as you get home and kept in a cool place on a shallow tray. Wash them only just before using.

Be sure to pick in small containers and handle the fruit as gently as possible. Not only will the berries be more attractive and easier to pick over, but bruising the fruit destroys the vitamins, too.

SAVINGS BOND ISSUE PLANNED FOR THIS FALL

A second issue of Canada savings bonds, the post-war government securities which met with popular approval when they were offered publicly last fall, will be floated by the government this year.

Details of the new issue, which likely will be offered in the autumn, were not available but it was expected they will bear the same interest rate—2½ per cent—and the same maturity—10 years—as the 1946 bonds, which sold to the extent of \$500,000,000.

Denominations also likely will be the same—\$50, \$100, \$500 and \$1,000—and there probably will be the same limit of \$2,000 on the amount which any one individual may purchase.

QUEEN MARY RETURNING TO NORTH ATLANTIC SERVICE

A weekly United Kingdom express liner service from Southampton to New York will be started at the end of July when the Queen Mary, the world's second largest liner, which makes her postwar maiden voyage as a passenger ship. This 81,000-ton liner, which served as a troop carrier during the war, is now in the final stages of reconstruction and restoration to luxury peacetime standards. Not only is the entire ship being restored to her prewar beauty, but many new features are being introduced, such as improved amenities for all three classes of passengers, additional public rooms and increased crew accommodation. Two garden lounges have been added on the promenade deck while another new attraction is an air-conditioned cocktail bar.

THE FEAR OF DROUGHT

(By H.G.L. Strange)

The United States Department of Agriculture has issued a warning to American farmers that destructive droughts and dust storms sooner or later are bound to return to the Great Plains area. The department suggests that farmers should try to get ready for the next drought. Research work on long-time rainfall in Canada reveals that during the past 60 years there have been several periods of drought and also several periods of very good rainfall. But there is no rhythm in the pattern of the occurrences of these periods, and prairie records reveal, as the U.S. Department of Agriculture says, that another drought may come at any time.

This, however, is nothing new. Chinese agriculture has had to contend with severe drought for thousands of years. In ancient times one Chinese authority said that there was but one way for farmers to prepare for periods of drought, which was that in times of good crops and of good prices farmers should put by reserves of seed and feed, and reserves of cash, so that they could tide over the bad times of drought or low prices when they came along. It appears to me that that advice is about as sound today as it was when given to Chinese farmers thousands of years ago.

The latter may effectively be done by maintaining covered, fly-proof garbage cans. In all too many lanes to be seen uncovered, hole-filled garbage cans breeding millions of flies.

WHEN MA GOES SHOPPING

When Papa buys a new suit Mama usually goes along. She figures she is better able than he to judge just what looks good on him. But when Mama goes to make an important purchase for herself, she goes alone or takes another woman with her. Result: Both Mama and Papa are pleased with Papa's suit, but all too often not even Mama is pleased with her purchase. Then why don't women take their husbands with them when they make their more important clothes selections?

A husband is a fine clothes critic. He doesn't give a hoot whether a suit has "the new sleeves" or the "fashionable silhouette." All he knows is whether what the little woman tries on is becoming or not. Without wasting words he says "That's swell" or "That's terrible." And his judgement is almost always right. He may not know clothes, but he knows when a woman looks well in what she is wearing. But instead of using their husbands' clothes criticism constructively—by asking their advice before they buy—most women buy their clothes first and then say, "How do you like it?"

Then their feelings are hurt if a new hat or dress doesn't get their husband's vote of confidence and approval.—Calgary Alberta.

-: DISTRICT NEWS -:

BURNSIDE NEWS NOTES

A miscellaneous shower was held Wednesday afternoon last at the home of Mrs. Alf Thompson with Mrs. Walter McCulloch as joint hostess, in honor of Mrs. Frank Moon, nee Esther Ehret, and an enjoyable time was spent. Many ladies went together and gave the recent bride a set of red and white enamelware, and others brought miscellaneous gifts, all of which were appreciated by Mrs. Moon, who thanked everyone for their kindness. The room was tastefully decorated with pink and white streamers and cut flowers and presented a lovely setting for such an honored occasion.

Mr. and Mrs. Sandy Brander spent Thursday in Calgary and took their little daughter Sandra to the Red Cross Crippled Children's hospital for treatment.

Mr. and Mrs. Ivor Weber and family spent Wednesday evening at the home of Mr. and Mrs. Humphrey Gatz of Sunnyslope.

Mrs. Mardon had as afternoon tea guests last Friday Mrs. Jack Underhay and her mother-in-law, Mrs. Underhay Sr., the latter recently arriving from Devon England. She made the trip by plane direct from the Old Country to Calgary.

The Hunter brothers with the help of Otto Peterson and others are putting up hay this week on the Mardon farm.

Mr. and Mrs. Ivor Weber spent Tuesday last in Carleton on business. Sam McAllister and Roland Ahlgrim were Calgary visitors last Thursday.

Mr. and Mrs. Tom McCaig and Mr. L. Hoare of Calgary were week end visitors with Mr. and Mrs. Grenville McCaig.

Mr. and Mrs. R. Devitt of Kitchener, Ontario, visited last week with Sam McAllister and Mrs. H. Birdale.

Mrs. C. Nelson and family spent Thursday with Mrs. H. Birdale.

Mrs. Bob McCulloch is improving in health and now only visits the Doctor occasionally.

Mr. and Mrs. Jack Underhay visited Wednesday at the home of Mr. and Mrs. Howard Pross. Mrs. Allen Marsh entertained last Thursday at a birthday party in honor of Norma Ringheim. Everyone reported a swell time.

Mrs. E. Page and son, Dick, visited friends in Calgary on Monday last.

Mr. and Mrs. Harry Richardson, Mrs. Isobel McCulloch of Turner Valley, and Mr. and Mrs. J.C. McCulloch and family, returned last Friday after a holiday spent at Banff.

Mr. and Mrs. Jack Underhay spent the week end at Sylvan Lake. Rain fell in this district on Monday morning and it is very much cooler after a dry spell of over a month. We are keeping our fingers crossed and hoping for the best.

WESTERDALE NEWS

Westerdale was victorious in the semi-finals of the Western Ball League, when they defeated Westerdale again last Sunday by a score of 5-4 in an exciting game.

Harmattan also won in the semi-finals by defeating Hillcrest 11-6. The first game of the final play-off will be played next Sunday afternoon at Harmattan, with Westerdale and Harmattan contesting for the Western League Cup again this year.

Lyle and Marlene Bolton left last Saturday to spend a few days with their grandmother, Mrs. B. Pross of Didsbury.

Mrs. L. Jones returned last Friday from a month's vacation at Vancouver.

A most welcome rain began to fall early Monday morning and continued throughout the greater part of the day, bringing relief to gardens which were very much in need of rain.

Mrs. A. Jackson reached her 69th birthday last week. On Sunday evening her five sons and their families were present at a turkey supper to celebrate the occasion.

NEW NURSES ARRIVE AT THE DIDSBURY HOSPITAL

The nursing staff of the Didsbury hospital has increased with the arrival of three new nurses. Miss M. McDonald, R.N., of Wapella, Saskatchewan and Miss L. Steen, R.N., of Bergen arrived on August 1st, and Miss U. Dale, R.N., of Red Deer arrived on July 13th and took over the duties formerly held by Mrs. W. Ross as matron.

NOTES FROM THE EAST

Rain fell in the district on Monday, and we believe in came just in the nick of time. We are very thankful there was no hail.

Fred Metz spent the week in Calgary undergoing medical attention and having his teeth fixed. We understand that Fred has not been feeling very well and hope this treatment will put him back in the best of health. Fred visited at the home of Mr. and Mrs. J. Clarke while in Calgary.

Mr. and Mrs. E.E. Tidball of Carstairs visited with Mrs. Dowell and family on Sunday, and on Tuesday evening entertained Mr. and Mrs. R. Tidball, also of Carstairs.

Mr. and Mrs. S. Brander were Calgary visitors on Thursday, taking Sandra in for treatment and calling on former Didsbury residents.

The dance held on Friday night at the Lone Pine hall had a nice turnout and everyone remarked on the improvement made with the installation of electric lights.

Miss Leota Straub entertained some twenty guests at a birthday party in her honor last Thursday evening. An enjoyable time was had by all and Leota received some lovely gifts. The evening closed with lunch served by Leota and Mrs. Straub.

Lone Pine visitors to the Olds fair on Saturday were Mr. Hugh McLean, Mr. and Mrs. C. Nelson, Mr. and Mrs. L. Clipperty and baby, Eddie, Tommy and Mrs. Patterson, Mrs. R. Shells and Grace, Mr. W. H. Coates and family, and J. Sainsbury. The main event of the day at the fair was the horse pulling contest.

FALLEN TIMBER NOTES

The two local honeymoon couples, Mr. and Mrs. Admusson and Mr. and Mrs. R. Moore, are in the district once more. Mr. and Mrs. Admusson spent Sunday at the home of Mr. and Mrs. Cooper. We see that the Burma Road is finally being repaired. Mr. Fyten and his "cat" are camped at the hill north of McGaffin's mill.

A number of relatives and friends gathered at the home of Mrs. W. McGaffin to celebrate Mr. Harry McGaffin's twenty-first birthday. Those present were Mr. and Mrs. J. Cooper, Glen, Jimmy and Keith, Mr. and Mrs. Howton and Danny, Mrs. Alex Moore, Mr. and Mrs. C. Moore of Calgary, R. Moore, Gay and Monica, and Mr. and Mrs. J. McGaffin, Pat, Gordon and Ann-Marie.

Mr. and Mrs. J. Teynor spent the week end in Banff.

Mr. and Mrs. W. Money and Mrs. W. Roberts were Banff visitors this week.

Mrs. R. Teynor is spending the week at the home of her parents, Mr. and Mrs. E. Bruns of Carstairs.

Mr. and Mrs. J. Howton were Didsbury visitors Thursday and Friday.

40 ALBERTANS KILLED IN MOTOR ACCIDENTS

Alberta had 40 fatalities in motor accidents in 1946, which was less than any other western province, according to figures compiled at Ottawa.

Nevertheless officials of the Alberta Motor Association are continuing to stress the need for greater safety on the highways in order to reduce the accident total this year.

It is realized that with the motor traffic volume continuing to mount, the risk of a greater number of accidents is proportionately increased. But this can be reduced to a minimum by the exercise of still greater driving care.

Safety watches have been organized or have been carried out in different parts of the province, while police officers are giving their full co-operation. Educational campaigns contribute in large measures to safety education, but this must be backed up by the wholehearted co-operation of all to ensure the best possible results.

The A.M.A. is conducting its year round safety campaign, playing no small part in aiding to lessen the number of motor accidents in the province.

Early watches had only an hour hand.

LOCAL NEWS

Mr. and Mrs. Spencer Burns and Marianne returned recently from a motor trip to Winnipeg, Manitoba. They visited their son, Bob, who is with the Winnipeg detachment of the R.C.M.P., and returned home by way of North Dakota, Montana and Yellowstone Park.

The Misses Jeannette Worrall, Marjorie Bruce, Florence and Shirley Cullen, of Didsbury, and Marie Longson of Kathryn, accompanied by a chauffeur, Jerry Ferguson, returned Wednesday evening from a trip to points in the Rockies. They report a wonderful time, having visited Banff, Marble Canyon, Lake Louise and Victoria Glacier, to which they took a ten-mile hike.

Mrs. T. Findlay of Calgary, who recently returned from a visit to the Pacific coast, was a Didsbury visitor last week.

Albert Schneidmiller was a business visitor in Calgary Monday.

—LETZ Ensilage Feed Cutter on display. Also the new farm grain loader and unloader, at Cassidy's.

Joyce Severns has her arm in a cast after cracking her shoulder a couple of weeks ago.

Jimmy Clarke and Bud Webb, members of the Didsbury Dairy Calf Club, took in the Red Deer fair last week as guests of the Alberta Dairymen's Association and the Red Deer Fair Board. Jim Clarke won 4th prize for his calf and 5th prize for a yearling in the Calf Club Show, which attracted entries from all over the province.

Peggy Morgan of the Weather Office, Dept. of Transport, Lethbridge, left Monday to resume her duties after a two weeks' holiday spent in Didsbury.

Mr. and Mrs. A. Moon and daughter left Monday for their home in California after renewing acquaintances in Didsbury while visiting with Mrs. Pearson and other relatives.

E.T. Wiggins, who is attending summer school in Edmonton, spent Sunday at home.

Paul Brinton is back on the job in Kirby's Meat Market after a holiday spent at Salem, Ore.

Will Skerry returned home Sunday after a week's holiday spent at Banff and Carleton Place. Mrs. Skerry and Susan will remain at Carleton for a few days.

—\$5.00 cash paid for information leading to the conviction of person or persons bending our awning supports. Law's Drug Store.

There were four teams entered in the Bowden baseball tournament last Wednesday. The teams were Summit, Cremona, Didsbury and Bowden, and Didsbury won first money.

Mr. and Mrs. Ed Carleton and son, Michael, returned Friday evening from a holiday spent at Banff.

Mr. and Mrs. Hughes and twins of Vancouver arrived last week and visited with Mr. and Mrs. E. N. Boettger.

Leo Nichols is sporting a big eye, the result of a bee sting. But Leo says it was worth it. He got 100 pounds of honey and expects more.

Jolanny Snyder and family, Jake Scheilenberg and family and Harold and Marion Dickau motored to Calgary last Sunday and picnicked at St. George's Island.

DIDSBURY GOLDEN JUBILEE

ON THURSDAY, AUGUST 7

At last the Community Centre has been started. Brush has been cut; cement is on hand. A few more trucks needed to haul gravel, then you will actually see where your donations are going. Your full support on Thursday will assure a covered rink for the welfare of your children this winter.

If you cannot attend the Jubilee, but a ticket anyway so that next winter you can see the children enjoying themselves in a covered rink, and can say to yourself, "my donation helped make this possible."

A full day's entertainment for you and a few more nails for the skating rink, all for 75c for adults, 25c for children over 10 years, and children under ten, free.

Marilyn Reiber is visiting in Edmonton with her grand parents, Mr. and Mrs. Watson.

Mr. A.G. Studer motored to Medicine Hat last Tuesday and returned Thursday, accompanied by Mr. and Mrs. Beveridge and family. They spent a few days in town before going on to Sylvan Lake where they will holiday for a couple of weeks.

Student nurses often acquire tuberculosis infection as a result of exposure in the course of their training in hospitals. For them tuberculosis is an occupational disease. Physicians, nurses, orderlies, clerks, technicians and all others who have contact with patients are all subject to the hazard, although to a varying degree. Routine chest x-ray of all admissions would eliminate much of this infection.
